### Before you begin

Remember, you do not need to submit an application if your child's household was automatically approved. Households that were automatically approved were notified through email.

We only need 1 application for all the children that attend school.

### How am I eligible?

Eligibility for free or reduced priced school meal benefits is based on:

- Your total household income and size
- Your child's individual status as foster, homeless, migrant, or runaway
- Participation in an assistance program by any member of your household

Your U.S. citizenship, immigration status, or not having a SSN does not affect eligibility.

### Getting started checklist

Lastly, we've compiled a list of the information you might need to get started:

- Review the [Income Eligibility Guidelines](#) for the 2019-2020 school year.
- If you are a participant of any assistance program, have your school district contact you for more information.
- If you are not a participant of assistance programs, gather information on the income guidelines for your local school district.
- Know how to contact your local school for any questions.

## **FRO – FHMR only Online Applications**

When parents/guardians complete free and reduced applications for foster, homeless, migrant and runaway household members the signature page will not include household number and income.

### **Consent for Disclosure**

If your children get free or reduced price school meals, they MAY also be able to get free or low- cost health insurance through Medicaid or the State Children's Health Insurance Program (SCHIP). The law allows us to tell Medicaid and SCHIP that your children are eligible for free or reduced price meals, unless you tell us not to. Medicaid and SCHIP only use the information to identify children who may be eligible for their programs and will not share the information with any other entity or program. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance. If you DO NOT want us to share your information with Medicaid or SCHIP, select the checkbox below. Selecting the checkbox DOES NOT affect eligibility for/or participation in the programs.

DO NOT share information from my Free and Reduced Price School Meals Application with Medicaid or SCHIP.

I certify\* that the information on this page is correct to the best of my knowledge.

\* I understand that this information is given in connection with the receipt of Federal funds, and that school officials may verify (check) the information. I am aware that if I purposely give false information, my children may lose meal benefits. Deliberate misrepresentation of information may subject applicants to prosecution under applicable State and Federal law.
