## Product Idea Submissions

If you or your team have HST improvement ideas that would benefit your district or that would improve operations for all districts, please share them with us on our **Aha** Ideas portal at <https://horizonsoftware.ideas.aha.io>

- If this is your first-time logging into the portal, you must sign up for an account. Provide your email address and name to register.
- From the home page you can vote for ideas that you have not already voted for, select ideas to view the details or view ideas by status or category. Ideas that you have voted on will appear in green.

- To create a new idea, select the “Add a new idea” button.
- Select the appropriate product associated with the idea.
- Please provide as much detail regarding the enhancement request or idea. This helps both the Product teams and Developers when reviewing the ideas. Update all required fields and select the Share idea button to save it. If the idea is tied to a general idea and not a product, then you may select “Other Ideas”.
- When you create an idea, your vote is automatically applied to it. Other portal users can now see your idea and vote for it as well.

**Aha Updates**

Thank you to everyone who has submitted ideas! To date we have implemented **59** ideas that now exist in the software. **167** ideas are planned and another **155** are being considered for future roadmaps.

Thanks to all of you we’re continuing to improve the product with the help of your feedback.
